

# Camas Science Olympiad Invite 2020

## Write-It CAD It, C Division

These drawings are for the official Write It, CAD It event of the 2020 Camas Sci Only Invitational.

Do not use these drawings until the document has been mailed to you as the Write It member of the team. ONLY the Write It member of the team can see these drawings. Use them only during the 25 minutes of the official event, then put them away until after the event is over.

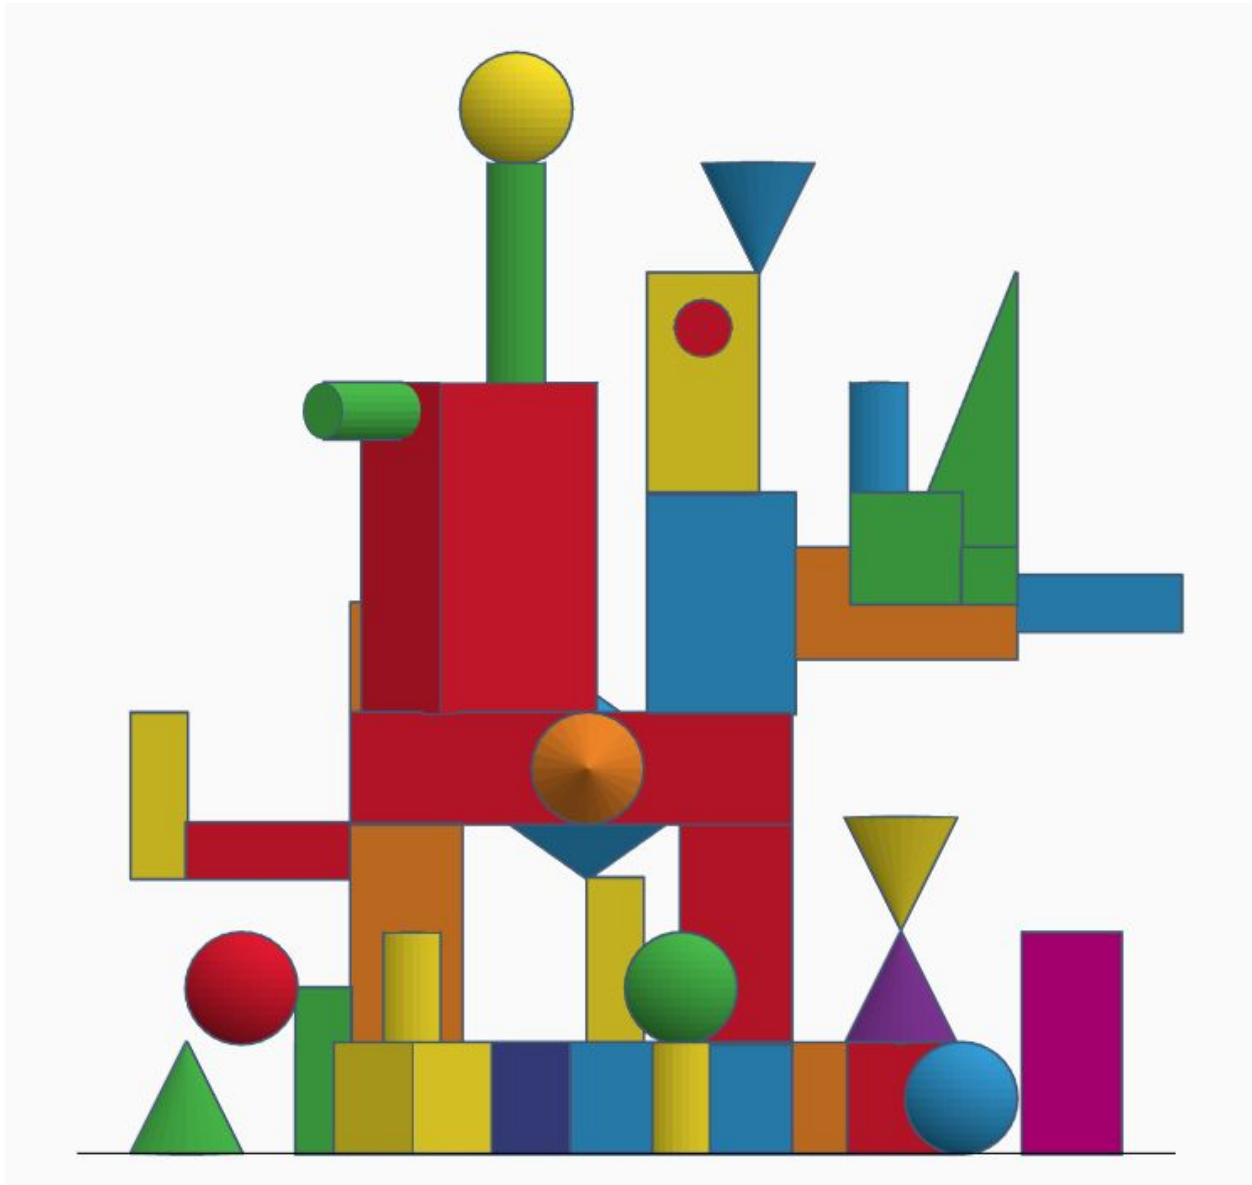

Use your written description to convey as much information as possible to your CAD It partner in a WRITTEN document you submit using the official form, and then at the end of your time, to your CAD It Partner via e-mail.

(make sure to have your partner's e-mail ready!)

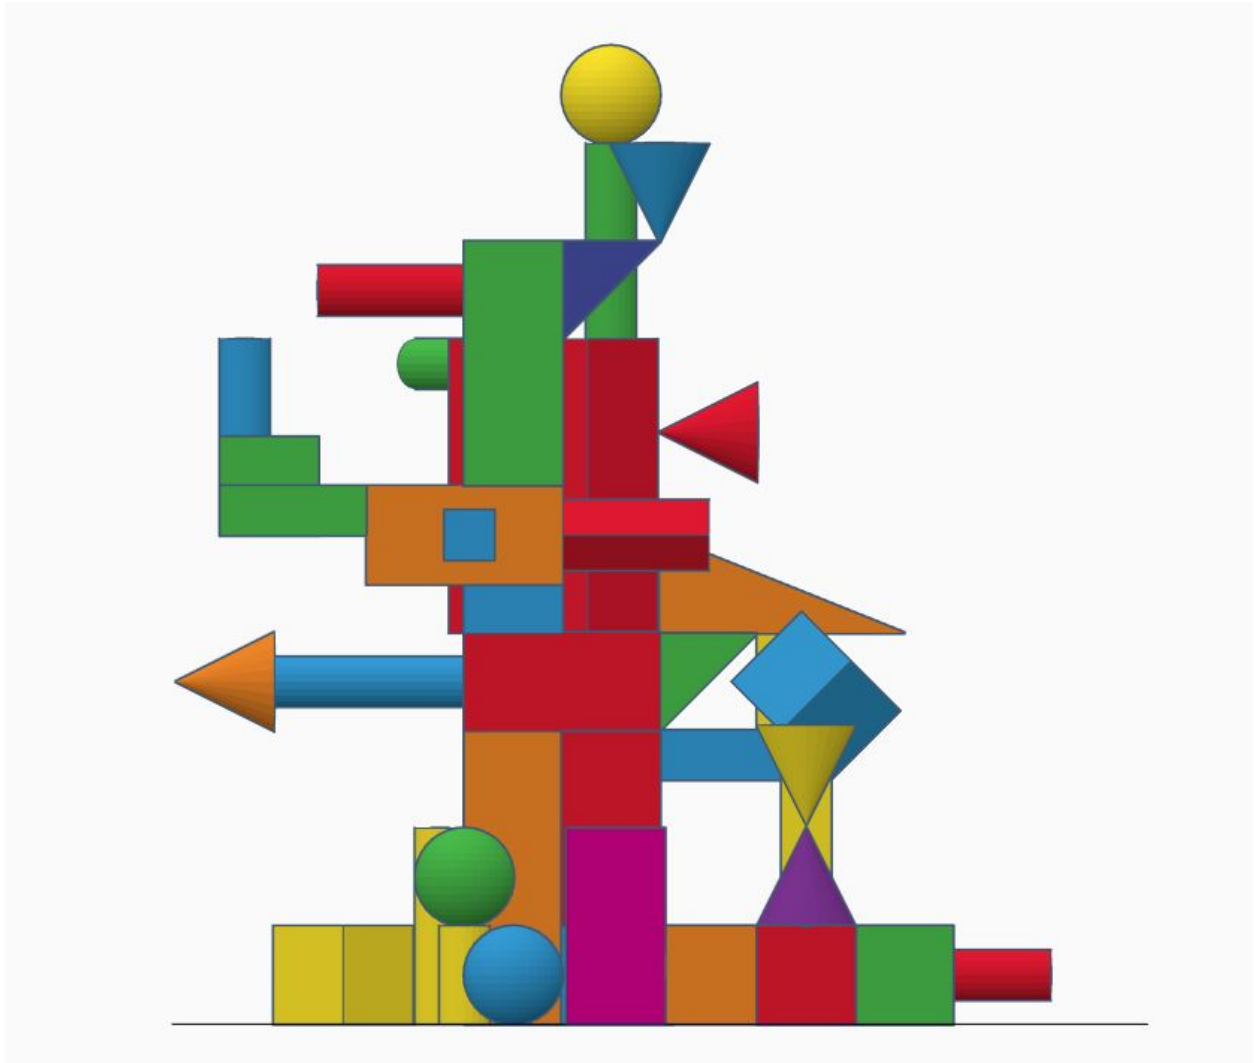

Pictures will begin on the following page.

Yes, this is a crazy, challenging design. Think about how best to break it up and describe it. Do the best you can. Color WILL be part of the grading criteria, as will position, orientation, etc.
