

BirdSO Invitational - Mousetrap Vehicle C

Event Supervisor: Arman Ahmad

07-13 March 2021

Instructions

Remember that you have **12 minutes** to record your runs, starting from as soon you open the test. Please record yourself opening the test and reading the codeword outloud.

Remember to submit your practice log at <https://forms.gle/pbqTJzDE3CucGhdWA>.

You must follow ALL social distancing protocol:

- This is **miniSO** - students compete from their homes or at an offsite location and not gather together.
- Teams follow local and federal laws on health guidelines
- Teams are working **ALONE** - with the exception of adults or parents for measuring and "proctoring".

If you have any questions, contact Arman Ahmad at arman1897@gmail.com.

Introduction

Welcome to Gravity Vehicle C!

Remember that you have **12 minutes** to record your runs, starting from as soon you open the test. Please record yourself opening the test and reading the codeword outloud.

The target distance will be announced on the events and modifications document. Please have it set up before competition.

Remember to submit your practice log at <https://forms.gle/pbqTJzDE3CucGhdWA>.

Submit your video at <https://forms.gle/xALbDpPL6dx2Zeyv9>.

You must follow ALL social distancing protocol:

- This is **miniSO** - students compete from their homes or at an offsite location and not gather together.
- Teams follow local and federal laws on health guidelines
- Teams are working **ALONE** - with the exception of adults or parents for measuring and "proctoring".

If you have any questions, contact Arman Ahmad at arman1897@gmail.com.

The codeword is **Flight**! Please read this word out loud right as you start recording.

1. (0 points) I have constructed all parts of this vehicle and ramp by myself or with members of my 15 person team.
2. (0 points) I have followed all construction parameters present in the rules manual.
3. (0 points) I have followed all competition parameters present in the rules manual.
4. (0 points) I have followed ALL social distancing protocol:
 - This is **miniSO** - students compete from their homes or at an offsite location and **not gather together**.
 - Teams follow local and federal laws on health guidelines
 - Teams are working **ALONE** - with the exception of adults or parents for measuring and "proctoring".

If teams do not follow the aforementioned rules, they will be scored as a DQ (n+2 points).

5. (0 points) I have recorded the codeword above.
 6. (0 points) I will have/have submitted my recording in the google form link above. Link sharing must be turned on, or else participants will be marked as NS (n+1).
 7. (0 points) Anything else? Leave anything you want to let the event supervisor know here. If you do not have anything, **leave it blank**.
